Sir,

Referring to the correspondence ending with this office letter no 4021 of the 13th Sept 1900, I am directed to state that a special allce of £53. per month, with effect from the 13th August 1900, has been sanctioned in favour of the Dresser in para 6 of their Prog no 3257-60 of the 31st May 1900, a copy of which was forwarded with the above letter. The special allce referred to was in connection with the arrangements (which the Resident was kept fully cognisant of at the time) for the improvement of the Mar-pi-ri Fields. It was, of course, a formal allce and was not then made for the

[illegible] of the Govt of India.

I am to request that you will be pleased to move the Hon'ble Minister to intimate the decision.

The act took place some years ago, and I do not know if the Officers who dealt with the Papers can do more. So far as can be gathered, the 2nd Councillor, the Dy Secretary and Mr. Ramanujaiengar are the Officers who can explain the matter from personal knowledge. To save time, and on other grounds, may I respectfully submit that the draft letter may be issued without

inquiry as to how the omis-

The draft herewith submitted may be favourably approved -

In connection with the revised organisation effected for the Kolar Gold Field in 1900 a monthly personal allowance of Rs 300 was sanctioned to Mr Carr - by an oversight this was not formally reported for the sanction of the Govt of India. Mr Carr is a local officer and such sanction is necessary - when the omission was found out a report was sent to the Govt of India want Mr Carr's pay - Govt granted 3 months allowance. This is quite undeserved - & very hard for him - The enclosed draft explains all the circs, & as the Govt Resl was aware of every step of the proposals - and a copy of the order referred to was also sent to him with letter No 4021/PA 1690713 dt 5 Sept 1900 - The order is dated 31st Aug 1900. The omission is regretted but as the matter had been dealt officially therein I trust to the favourable consideration of the Hon'ble the Resident

the culpability involved in the neglect will be seen to be much mitigated - but the omission was technically wrong all the same and another representation seems in my opinion worthy of being made.

I am directed to forward herewith for the information of the Honble the Resident a copy of the Progs: of the Durbar No. 3257-60/J.342 dated the 31st August 1900, sanctioning the reorganization of the Police Force in the Kolar Gold Fields.

2. As the services of a competent European Superintendent of Police are necessary for the successful working of the Scheme I am desired to request that the Honble: the Resident may be pleased to obtain for the Durbar, temporarily for 3 years, the loan of a suitable Officer for the purpose. The pay to be given will be in accordance with the qualifications of the Officer selected, but a maximum of Rs.1000 per mensem, besides the usual pensionary contribution and exchange compensation allowance, has been fixed, and this, the Durbar trust, will secure for the post an officer possessing the necessary qualifications.

Dated Bangalore; 31st March 1903.

Sir,

I am directed to acknowledge the receipt of Mr. Nanjundayya's letter No. J.761, dated the 29th November 1902, asking for sanction to the special allowance of ₹300/- a month granted to Mr. F.E.C.Carr from the 13th August 1900 in connection with the arrangements for the improvement of the Kolar Gol Fields Police.

2. The proposal was recommended to the Government of India, and it was explained that by some extraordinary over sight the necessity to apply for sanction to the grant of the allowance, which was considered suitable and in no way excessiv was overlooked. The Government of India have observed that the omission to seek the necessary sanction to the grant of so substantial an allowance to Mr. Carr constitutes a grave irregularty which cannot, in their opinion, be entirely passed over. It is further stated that no responsibility for the omission appears, however, to rest upon Mr. Carr himself and that, in view of Sir Donald Robertson's testimony to the value of his work, the Government of India will only require the refund by Mr. Carr of the allowance for a period of three months. He

has been allowed to retain the balance of the allowance which has hitherto been irregularly drawn and to continue to receive it, during the period of his extended tenure till March 1906.

3. There is no objection to the refund of ₹900/-, the amount ordered to be retrenched by the Government of India, being given effect to by the stoppage of the allowance of ₹300/- to Mr. Carr for a period of three months.

I have the honour to be,

To

R.C.H. Moss King Esquire, I.C.S.,

First Assistant to the Resident in Mysore.

Sir,

I am directed to acknowledge the receipt of your letter No. 1571 dated the 31st March 1903, conveying the orders of the Government of India, in regard to the grant of the special allowance of Rs300/- a month to Mr. F.E.C. Carr sanctioned by the Durbar in their Proceedings No.3257-60/J.342 dated the 31st August 1900.

Seeing that Mr. Carr admittedly is not responsible for the omission to obtain the previous sanction of the Government of India to the grant of the said allowance, and that, moreover, the propriety of giving him the allowance is not denied, the Durbar think that the present decision is unduly severe, and they therefore venture to solicit the good offices of the Honourable the Resident in procuring a reconsideration of what is in effect the infliction on a very deserving officer of a penalty which he has in no way merited.

I am at the same time to state that the omission to make formal application for sanction admits of a simple explanation. The arrangements which culminated in the issue by t Durbar of their order of the 31st August 1900, No.3257-60 J. 342, were largely the outcome of personal and demi-official discussions and exchanges of views, in which the Honou

he Resident took a prominent part. The papers available n the subject show that Sir Donald Robertson was in close ouch with the scheme in its different stages; that all ts details, including this particular one of the grant f a special allowance to Mr. Carr, were approved and ccepted by him as necessary and adequate for the fulfil- ent of the measure of reform which had been pressed upon he Durbar; and that he himself was anxious, after Sir Seshadri Iyer proceeded on leave in August 1900, that arly steps should be taken to give effect to " the ar- rangements agreed to by Sir Seshadri Iyer for the im- provement of the Kolar Gold Fields" (Vide Colonel Robert- son's D.O. of the 20th August 1900 to Mr. Thumboo Chetty) from which it also appears that he had assured the Gov- ernment of India " that no time would be lost in carry- ing ~~out~~ the necessary arrangements into practical effect In these circumstances, and believing that the details of the schem had the concurrence of the British Government, it did not occur to those who had to deal with the matter at the time that anything remained to be done in relation to that Government, except in the first place to communi- cate for information a copy of the final order passed by the Durbar, and in the next to ask for the loan of the services of a competent European Officer for employ- ment as Police Superintendent, which was the only detail that remained to be given effect to. This, then, was the occasion for the Durbar's letter No.4021/Pol.169 dated the 13th September 1900; and it does not seem difficult in the light of the above facts, to account for the omission to embody in that letter any formal request in regard to (what was relatively) a subordinate detail such as the grant of the allowance in question. The Durba have no intention of minimising the unfortunate nature of the omission to submit a formal application for Mr. Carr's allowance. They submit however that what has oc- curred is of the nature of a technical irregularity, se- rious no doubt in itself, but for which Mr. Carr was in

in no way responsible.

I am to request, in conclusion, that the order for the retrenchment of three months' allowance of Mr. Carr may be permitted to be kept in abeyance pending the result of the present representation for its reconsideration.

Sir,
